Narrative

The purpose of this survey was to establish and set the property corners of the parcel as shown and described hereon. The survey was ordered by the Wadman Corporation for Myers Mortuary. The control used to establish the property corners was the existing Weber County Survey Monumentation surrounding Section 23, T5N, R2W, SLB&M. There appears to be a 8.00 foot gap between the South line of the Myers Mortuary property and the North line of the CSK Auto Subdivision. Also there is a conflict at the Northeast corner of Lot 6 of the Purser Subdivision. The basis of bearing is the East line of the Northeast Quarter of said Section assumed to bear North 00°28'00" East.
