WEBER-MORGAN
HEALTH DEPARTMENT

**Healthy Individuals &
Families Thriving in a
Clean & Safe Community**

The mission of the Weber-Morgan Health Department is to assess, promote, and protect the public health needs of our community, enhance the quality of our environment, and assure access to appropriate services delivered by professional staff dedicated to excellence and innovation.

WIC (Women, Infants & Children)

Annex | 801-399-7200

WIC is a supplemental food and nutrition program for Women, Infants, and Children (WIC). Pregnant women, new mothers, and young children may be provided healthy foods, nutrition counseling, and breastfeeding support. Eligibility is determined by family size and household gross income. If you are pregnant, your unborn child is considered a member of your family. To qualify you must:

- Live in Weber or Morgan County
- Be pregnant, breastfeeding, or just had a baby or have an infant or child under 5 years of age
- Need WIC foods to be healthy
- Meet income guidelines or be receiving Medicaid or food stamps.

To determine if you qualify, go to www.webermorganhealth.org
