**E. PUBLIC COMMENTS:** Carolyn Lietuvinkas, of North Ogden, thanked the Commission for declaring Weber County a Second Amendment Sanctuary stating that because of national shootings actors were trying to cancel said Amendment. She said that Salt Lake County was refusing to remove its illegal mask mandate, that our county should reject the urge to follow them, that on page 17 of the packet she handed the commissioners it pointed out that AstraZenaca, now making vaccines, was the company that created the Zyklon-B gas used to exterminate 11M Europeans, and also that an excerpt from, "*The Invisible Rainbow*" provided parallels to today's virus and the 1918 Spanish flu with its technological advancement of radio and radar tech, and that on 12/2029 north Weber County had 5 G-antennas go online and curiously there was a massive outbreak of respiratory illness before it was revealed on 1/2021 that COVID was the alleged culprit. The world economic forum with numerous deep state actors and admitted eugenicists were laying the groundwork of a world without the god of our Bible.
