

INDEX MAP
 70
**RIGHT OF WAY MAPS—MAIN
 CANAL—STA. 0 TO STA. 501+77
 DAVIS & WEBER COUNTIES
 CANAL COMPANY**
 Ogden, Utah. Jan. & Feb. 1919
 Scale 1" = 2000'
 " 1" = 400'

NOTE:— The following maps were copied, with a parallel rule and proportional dividers, from the original map on heavy white paper and compared with a blue line print made from a tracing of the afore said original map, which was certified to on the 27th day of July, 1912, by W. M. Bastoph as chief Engineer for the Davis & Weber Counties Canal Company. It is not practical to give courses as such do not appear on the original. Curves are given on the profile.
