

Note. The point on the opposite page was placed in position by turning a right angle from Main Street and measuring down on the side walk with a steel tape held tightly.

3.3 feet excess was made on Block 4-Plakia and 7 feet on Block 5-Plakia and 6 feet on the Block on 8th St between Franklin and Wall Street

David Lawson assisted in setting the stone described on the opposite Page and was done at the time of measuring North on Mrs Grant's lot.

The rock is exactly in the place described and will be found correctly located, the stone was furnished by Weber County, and cost .50¢.
