

7 hrs.

- ① Excavation for Allan J. Kapp @ 4223N
3300 E. Liberty was made by Mack Stallings
of Eden - clean cut, compacted backfill every
6" with hydraulic compactor to top of cut.
Mack will mulch in 7 days with 5" of
mulch compacted & rolled.

2 hrs

- ② Inspected area in general and for
excavations: Excavation # 77-62 to Mr. Chard
on 3350 N was in poor condition - checked
with Mr Chard & told him to put in some
more backfill & to mulch the later part
of Oct using Hat Mulch, compact & roll
leaving no more than 1/2" high & finish
job up.
