

- ① Vestal Wright called the office & said he would cement the '2 Exars to day. I checked but do to bad weather I guess he could not get any cement. When I talked to him I told him to cement 'in one day & the other 'in the next day.
- ② I told Mrs Meekam to get a petition on her request & send to me.
- ③ I told Mr Raventberg we needed a House Location & Contours map, but the lots did not conform to a R.O.W by public use & if he wanted to come back & see Grad & the three of us make another inspection we would go from there.
- ④ Gary & I could not see where any pipe was being laid. We agreed on 24" pipe & Rip said he would change the 15" to 24" going under the Road.
