

27th Adams. Hence
 S.S. on mt#47 intersected Hubs at
 Hence just in same position;
 repeated 7 times.
 usm (ary) $90^{\circ}00'00''$ this angle
 B. East on to mt#47 (27th + Jeff-
 B.S. on mt#4 (crash + 25) angle
 Hence just over mt#2 (crash + 27)
 Hubs either side center line 27th at
 mt#49 (26th + Adams) 2nd set
 and just north of 28th Street S.S. on
 Hence just over Hub center Adams
 for West. Then re-referenced it.
 Adams found it to be $0^{\circ}45'$ too
 Hence righted up mt 26th +
 West it. B35
 Hence righted up mt + re refer-
 West
 found this mt to be 0.20 too for

B35

Mts moved as follows;

25th + Adams	$0^{\circ}20'$ East
26th + "	$0^{\circ}45'$ East
