

Location of Gas pipe  
on 24<sup>th</sup> St. bet.  
Madison Ave. and Grant Ave.

When the sewer was constructed  
the sewer trench exposed the  
gas main; The gas co.  
now want to relocate the  
main so as to avoid the  
sewer and also the St Ry  
track. I therefore give them  
the location 39 ft. out from  
the south property line to  
the center of this new trench  
location. May 12, 1895,
