

Re. Survey of Groome Tract - Notes
Survey of which begins 5 pages
preceding this -

Object of resurvey to change
position of the tract -

Blue lines on plot approach
represent position of boundaries
by previous survey -

Red lines the boundaries as
located in this resurvey -

Transit at H - B.S. at J - I measure
H to A 42.8 feet and set hub
marking N.E. corner of New
Tract -

Thence Measure S. 75 ft from
hub at J and set hub at
D marking corner between
2 + 3 acre tracts -

Thence Transit at A - sight to
J and turn 90° R. and Mot
and run 400 feet to B and
set hub - then I blow a
fence sight and

Thence Transit at K - sight
to J - and run East 35.6 ft
where I set Transit and

W
