

Survey to locate stake at
street intersections along
Van Buren Ave
between 29th + 24th

Heliostope at monument on 24th + Van Buren
Iron on hub previously set on
29th + Van Buren 40.07 East of
first hub set on 29th Street
line (see page 10)

Set hubs as shown in opposite
sketch on 28th + Van Buren

Then set transit on S. hub at 28th
and as a long vision comes
at intersection of 27th + V. Buren
I skip this and set two hubs
for intersection of Van Buren
+ 26th - The S. hub being
about center of 26th and the
N. hub 11.5 south of this hub -

Transit on south hub at 26th I
set hub 3.1 south of south
rail on 25th between hubs
already set on 25th Street
