

Standard Alignment of Van B +  
Jackson - north of 24<sup>th</sup> St -

Preliminary:

Adjusting measures made on  
21<sup>st</sup> Street (see page 24) to correspond  
with Monumental distances on  
24<sup>th</sup> Street - East of Quincy - I find  
I shall have to take new points East  
or west of hubs now in (p 24)  
as follows -

At Hornum + 21 <sup>st</sup>	0.094	East of Hub #1
" Van B + 21 <sup>st</sup>	7.163	West " " #1
" Jackson + 21 <sup>st</sup>	8.486	" " " #1

Then from at 24<sup>th</sup> St Mon and sight  
on Van B Hub 2.49 west of J-1 I set pins  
at 23<sup>rd</sup> and 22<sup>nd</sup> in line with  
hubs previously set for these streets  
as determined on p 30 - that is .01 and  
.06 respectively north of 1<sup>st</sup> line  
established -

Then to Van Bunn Ave - I set  
similar points in a similar  
way -
