

April 28th 1899 Stoddard Tiding

Survey to determine present lines at
30th St. & Adams Ave. as present data
is lacking in office notes.

Got subs at 30th & Washington & Grant
" " " Adams & 27th & 28th

Set center by intersection at Adams & 30th
Lined in for first one intense line S.E.

at Grant & Washington. Measured 49.5 and
found Adams to be only 80 ft wide so set

sub at 40 ft. - set over 40 ft. sub and set
sub for 99 ft. to 30th by old iron fence

S.W. cor. Lined in in fence further west
and found it set for 33 ft. S. of old
Adams set but for same
