Start flushing Sewers. John Waterman
G. K. Parker
William Shurtleff

Worked P.M. → H. C. Hansen
Start at City Hospital - hose at 28th & Madison
back up water 1 ft. Deep in m. H. at Hospital.
does good work: but 6" connection to Hospital
seems to be foul.

From 28th to 24th flushed to be
on Madison
draged later very foul
hose at 28th & Madison

Afternoon draged block between
Madison & Jefferson on 27th
Three times not very foul
hose at 28th & Madison
draged 1/2 block between 27th &
26th on Jefferson hose at
27th & Jefferson foul
