

Thursday May 24th 1900

Team	Geo. K. Barber
Laborer	John Malin
"	William Thilly
"	H. C. Hansen
"	Tom Burns

Get the Fumel out & drag
three times having to
use the team to pull
drag & bringing out two
large pieces of cement.
Tried to get rope through
on north half of blk. on
Jefferson bet. 26th & 25th hose
at the cor. of 26th & Jefferson
fail to shake it will
resume after dinner very
foul with roots. the grade
of this blk. runs north
& south from center of
blk.

76
Afternoon

Fail to get float through on
acct. of roots & lack of water
will return & finish that
piece later plug in good
shape.

Drag blk. on 25th bet.
Jackson & Quincy twice
no slime but full of
sand. lose at cor. of
Jackson & 25th. plug in
good shape quit for the
night
