

Oct 2nd 1900 Survey for opening 20th St

Substant. Transit - propped and 3rd Tripod One chain

Start over tack at intersection of Washington St 20th St
 east of ctr line of Washington Ave 65 S on Mt-17th
 and Washington - turn angle 90° from N to W.

measure that 158.5 set back and tack for E line of
 Lot 1 continue measurement 44 feet set back
 and tack for ctr of Lincoln Ave total dist 1584.8
 and 1584.8 from ctr of Washington Ave

from ctr of Washington Ave to 382.5 set back and tack
 = ctr of Riverside Ave. (from that 295 ft to junction
 on east S.) continue measurement from ctr of Lincoln
 to ctr of wall 765 ft set back + tack

Start over that ctr of wall + 20° B.S. on track angle
 90° from E to S (measure L 281.5 + 148.5 + 66. +
 2 L. 5 + 49.5 = 760.00 = 1 foot too much for ctr 21st St.)

set back 281.5 = fence line north line Spencer St. Note
 " 430 = N. line T.E.W. Land

Start over last but B.S. but ctr 20th Ang. L. N to E. 10°
 197 ft. hit 1.1 S. 40.1 E of R. Mt.

Measure S. 66 ft more or + 90 ft. set back - Start over last but 90° L.

197 ft. hit 1.1 S. + 40.1 E of R. Mt. Measure 263 more or 159 set back
 Start over last but N. to W. 90° set back dist 305 with out of
 corner exact good check.

at "Handy"
 Oct 3-1900 -

Start over that 20th St. B.S. on track line

Continue ctr line of 20th St. track 144 ft. back fence 20th St

Set back and tack - 297.25 set back E side of O.S. L. with
 E away 72.4 ft. set back on line. 379.65 to ctr of Lincoln Ave

on line - Start over last but O.S. L. Measure 429 ft. away from
 O.S. L. by N. 10° E. set back on line. = 386.06 - 60° 23' N. 7 S. fence

set back on line - 857.6 set back on line over bridge

Start over last but on Waller B.S. Wash. Ave. angle 105° E. 54 ft. set back
 set back 6 ft. 2.5 - 8.12 set back on line (4985) = 90° S. 291.5 4.7 (set
 out 20th by R. Co. 43 N. 90° E. of mt.)

ctr. Wash. Ave. 709 to 21st St → 41
