Sewer Flushing

Hydrant 23<sup>rd</sup> + Wash - Flushed West much sand  
+ sediment necessary to  
send chain through three  
times to Ch. M. Hole

Hydrant 24 + Wash - Flushed N along Wash

Hydrant 23 + Wash - After flushing N on Wash  
found it necessary to  
reflush sewer west on  
23 and found considerable  
sediment
