A. F. PARKER.

Monument # 25

of 18 rods

Note: Monument # 25 was planted Wednesday Am. Oct 16th 1889 after digging the hole the water + quick sand ran in so fast + as the nut was already numbered it was just thrown in and covered up

until such time as it could be done properly.

The ground was so soft that the Nut was not set.

The time will have to be run over. (34)
