

✓ which was set 762.33 ft (16[#] pull)
to make these private Survey for
found old Hub used last summer
to be 762.80 (old dist = 762.33).

3rd Madison & Mt #14 found it
measured bet Hub set for Center
thence with a 20[#] pull on steel band
thence 1st Hub - S.W. corner 065° 06' 05"
Summer (see Private Book #6 Page 32)
R + East to check on Hubs set last
Just over latter Hub P.S. on Mt #14 90°
north on Center line Madison are
double centered & set Hub 495 ft
89° 59' !!! thence P.S. on Mt #14
3 times & found the angle to be
to Mt #14 Madison + 24th it repeated
line 2nd of thence angle to + South
4th P.S. on Hub Summit Hill on Center
an thence just over Hub Center Madison
Center line 2nd on Jefferson and Madison
previously set this am either side
