RESOLUTION

Moratorium on State Highway System Revisions

WHEREAS, the Utah League of Cities and Towns and the Utah Association of Counties are proposing a comprehensive study analyzing highway responsibility, functional classification, funding sources and money distribution formulas, and

WHEREAS, the Utah Transportation Commission recommends support of the study to begin in 1986, and

WHEREAS, there is a definite need to establish criteria for the addition and deletion of roadways or proposed roadways to the State System of Highways

NOW, THEREFORE, be it resolved as follows:

That a moratorium on State Highway System additions be in effect until the completion of the proposed study.

That the only exceptions to this moratorium will be those roadway connections built to assure proper function of the Interstate System and existing routes built on new alignment.

Dated this 13th day of December, 1985.
