## **Route 166**

### **COUNTY/ VOLUME & RESOLUTION NUMBER**

A. Weber Co. 8/18

### **DESCRIPTION OF RESOLUTION CHANGE**

(A). Deletion - SR-166 in its entirety from the State System of Highways.

Att. 158  
Delete 166  
162 169

RESOLUTION

Deletion of State Routes 166, 162 and 169  
Addition of State Route 158

Whereas, Section 27-12-27 of the Utah Code 1990, Provides for the addition or deletion of highways from the State Highway System and,

Whereas, the District One Director has recommended that roadway traversing northerly from a junction with current State Route 166 and current State Route 162 to the Parking lot of Powder Mountain Ski Resort be placed on the State System of Highways in exchange for deletion of a portion of State Route 162 and all of State Route 166, also State Route 169 from the State Highway System and,

Whereas, the proper authorities of Weber County, Liberty Town, and Eden Town have been notified of these revisions and have reviewed the aforementioned recommendation and concur with the District One Directors proposal of State Route transfers and

Whereas, the appropriate staff of the Transportation Planning Division has reviewed the request by the District One Director and concurs with the aforementioned request and recommends, that portion of SR-162 traversing from the junction of SR-39 to the current junction of SR-166 become a portion of new State Route 158 along with the deletion of State Route 169.

NOW THEREFORE, Be it resolved as follows:

1. Roadway traversing northerly from a junction with current State Routes 166 and 162 to the parking lot at Powder Mountain Ski Resort a distance of 6.98± miles be placed on the State Highway System as a portion of State Route 158. The Functional Class designations will be retained along with the Federal-aid System designation to a point where Federal-aid Secondary 569 becomes proposed roadway near Wolf Creek Country Club a distance of 1.51± miles. The remainder of new State Route 158 will not be placed on the Federal-aid System.
2. Roadway currently residing as State Route 162 from the junction of State Route 39 traversing northerly to the junction of current State Route 166, be incorporated as the beginning portion of new State Route 158 a distance of 4.33± miles and the remainder of SR-162 will be deleted from the State System of Highways. The functional Class designation along with the Federal-aid Secondary designation will be retained.  
The portion of roadway that traverses from the jct. with current SR-169 to the jct. of current SR-162 will not be placed on the Federal-aid Secondary System.
3. Roadway currently residing as State Route 166 will be deleted from the State System of Highways in its entirety from the junction of SR-39 east of Huntsville to the junction of current SR-162 north of Eden a distance of 5.95± miles with the jurisdiction and maintenance responsibilities transferred to Weber County. Functional Class will remain Major Collector and the Federal-aid Systems will become Local Federal-aid Secondary 570 and 569 respectively.

Resolution Page 2  
Deletion of State Routes 166, 162 and 169  
Addition of State Route 158

4. Roadway currently residing as State Route 169 will be deleted from the State System of Highways in its entirety from the junction of current SR-162 to the junction of current SR-166 a distance of 0.57± miles with the jurisdiction and maintenance responsibilities transferred to Weber County. Functional Classification will remain Major Collector with the Federal-aid Secondary System becoming a portion of Local Federal-aid Secondary 569.
5. The aforementioned changes, additions, and deletions will be activated upon approval from the Transportation Commission and the Federal Highway Administration where it is applicable.
6. The accompanying letters, Notification of System Change, and map be made part of this resolution.

Dated on this 2nd day of November 1990

Mr. John Reeves, P.E.  
Weber County Engineer  
2510 Washington Blvd.  
Ogden, UT 84401

Dear John:

Attached are four copies of "Notification of Highway System Change in Utah" request for transfer of SR-169 from the State System to Weber County Road System as previously discussed with you.

The transfer of this road and the rest of the Powder Mountain Road transfer proposal will be discussed in the Transportation Commission Meeting on November 2, 1990 in Salt Lake City. I will give you the time of this meeting next week after the agenda has been completed.

It is also UDOT's understanding that the Snowbasin Road SR-226 will be transferred to Weber County after the new road from Trappers Loop is constructed to Snowbasin Ski Resort. The new road will come on the State Systems when SR-226 goes on the County system.

Please return three of the signed copies and I will take them to Salt Lake so the Resolution of Transfer can be prepared.

Sincerely,

Dyke M. LeFevre, P.E.  
District One Director

Mr. John Reeves, P.E.  
Weber County Engineer  
Municipal Building  
Ogden, UT 84401

Dear John:

Attached are three copies of forms that need to be signed by the County Commission Chairman for the transfer of the Powder Mountain Road and SR-166/162 roads as shown on the attached maps.

Please return two copies and we will send them to Salt Lake for Transportation Commission action.

Sincerely,
