Dear Mr. Lovelace:

We discussed in our council meeting last evening, the contents of your letter of July 12, 1968, relative to parallel parking on SR-233, which is known as Pleasant Grove Main Street and West Center Street in Pleasant Grove.

It was the decision of the Mayor and City Council if agreeable with the Utah State Department of Highways that SR-233 consisting of Pleasant Grove Main Street and West Center be taken from the State Highway System and integrated into the Pleasant Grove City System.

The following is a copy of the action taken. "Councilman Paul Blackhurst made a motion that the City integrate into its system Highway SR-233 know as Pleasant Grove Main Street and West Center Street for which the city would receive class "C" Road Fund for maintenance." Motion was seconded by Councilman Jay F. Harmer and motion carried unanimously.

Very truly yours,
Pleasant Grove City Corporation
