Re: Access Road
Deer Creek Lake State Recreation Area

Attention: Richard B. Roberts, PE
Programming & Scheduling Engineer

Dear Sirs:

The Board of Parks and Recreation and the Division request the access road to Deer Creek Lake State Recreation Area be placed upon the state road system.

This was reviewed and discussed with staff persons some time ago. The situation now becomes critical in that the Division is prepared to award a contract for development in the amount of \$725,000.00.

Your favorable action upon this request is earnestly requested, and we hope that your work program can correlate in a manner to meet our contractor's schedule.

Sincerely,

Harold J. Tippetts
