NARRATIVE
This Survey was requested by Mr. Bill Clinton of the United States
General Services Administration for the purpose of updating a 7.072 acre
parcel owned by the GSA. The parcel is located in the 1994
parcel map located in the 1994 parcel map of the area, and
later a 6.10 acre parcel by Great Basin which was directed by
Mr. David Ward to use the existing survey. A monument was found
at the southeast corner of the parcel. These were the same monuments
used by McNeil. A line bearing South 89°01'45" East between the two
monuments was used as the basis of bearings. No other corners from
the McNeil survey were found.
