

NARRATIVE

The purpose of this survey is to locate and verify the lot corners of lot 344. The southerly lot corners were set during 1981 for the survey of adjacent lots and were used for control to set the northerly corners. Control for the 1981 survey was a traverse through the S exterior section and quarter corners of the Evergreen Park Subdivision using as base of bearing the NE subdivision section corner and the quarter corner to the west, N.89 11'07"W.

LEGAL DESCRIPTION
