MARRIAGE
The purpose of this survey is to establish and set the corners of the 1700 North street between Monroe Blvd. and B50 East Street. The old centerline of 1700 North street is now on the north side of the street. The new centerline of 1700 North street is now on the south side of the street. This will also establish alignment of the new centerline of 1700 North street. The old centerline of 1700 North street is now on the north side of the street. The new centerline of 1700 North street is now on the south side of the street. The old centerline of 1700 North street is now on the north side of the street. The new centerline of 1700 North street is now on the south side of the street.
