

NARRATIVE

The purpose of this survey is to locate and verify the lot corners of lot 322. The easterly lot corners were set during 1983 for the survey of adjacent lot owned by Reed Wixom. The southerly corner had been moved to a different location so it was reset in the original location. The westerly corners were found and flagged. Control for the survey was a traverse through the S exterior section and quarter corners of the Evergreen Park Subdivision using as basis of bearing the NE subdivision section corner and the quarter corner to the west, N.89 11'07\"/>
