NARRATIVE

The purpose of this survey was to create a parcel of property for a building site for Mr. Craig Storey. The parcel was from a larger tract of property owned by Boyd K. Storey. The West Occupation Line was found to be East of the deed call for the original tract through the depth of the parcel surveyed. It was Craig Storey's decision to honor the existing occupation to create the new parcel. Both the Southeast Corner and the South Quarter Corner were found to be monumented with a brass cap. The bearing basis was established as West along a line between the two monuments. The North line of the State Highway was established using the existing Right-Of-Way fence.
