

NARRATIVE:
 This survey was requested by Mr. Charles G. Osman on behalf of Cape Construction Inc. for the purpose of determining the boundaries of the parcel. A brass cap Monument was found at the East Quarter corner of Section 24. A line bearing South 65°44'00" East between this Monument and the lower on Mt. Ogden Peak was used as the basis of bearings. The right-of-way along 12th Street was established using the Ogden City monument line and information from U.D.O.I. The right-of-way on 1200 West Street was established by splitting curbs and existing improvements. The property was monumented as shown on this drawing.
