

UTAH DEPARTMENT OF TRANSPORTATION-REGION ONE

SR-126, 1800 SOUTH TO 12TH STREET OGDEN

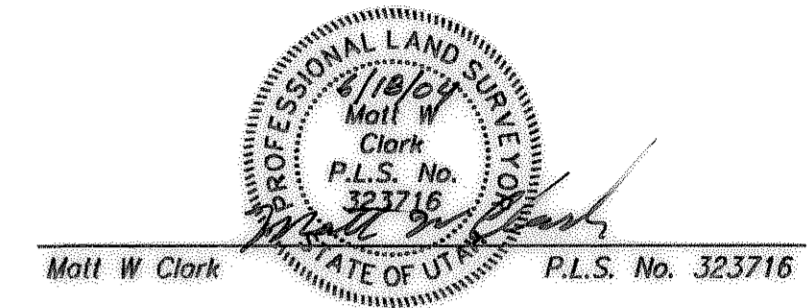

Federal Aid Project SP-0126(6)13, STP-BRF-0126(3)14

SURVEYOR'S CERTIFICATE

I Matt W Clark Salt Lake City, Utah do hereby certify that I am a Professional Land Surveyor and that I hold License No. 323716 as prescribed by the laws of the State of Utah and that I have made a survey of the right-of-way markers staked out and placed on the ground per SR-126, 1800 South to 12th Street, Ogden, Plan Sheet, Project No. STP-BRF-0126(3)14, Sheets RD-1 through RD-13 approved 9/17/01.

Date 6/18/04

NARRATIVE

The purpose of this survey is to depict the right-of-way markers placed on the ground per said SR-126, 1800 South to 12th Street, Ogden Plan Sheet STP-BRF-0126(3)14 Sheets RD-1 through RD-13.

The Basis of Bearings for this survey is North $01^{\circ}42'57''$ East 1559.679 feet between the Southwest Corner of Section 24, Township 6 North, Range 2 West, Salt Lake Base and Meridian and the Northwest Corner of said Section 24 per SR-126, 1800 South to 12th Street, Ogden Right-of-Way Plans, Project No. STP-BRF-0126(3)14 Sheets RW-1 through RW-14, Prepared by Versar Engineering dated 7/18/2001.

Survey Findings:

- There are discrepancies between the plan sheets (used to set the right-of-way markers) and the right of way plans and deeds prepared by Versar used to purchase the highway right-of-way parcels. The right-of-way marker locations depicting a differing station and offset on the right-of-way plans & deeds have been shown hereon.
- The west line of Section 24 and the centerline of SR-126 are not the same line as detailed on Sheets RW-1 and RW-6 of the right-of-way plans. Existing right-of-way lines were based on a project centerline coincident with the section line. Locations for right-of-way markers to be set per plan sheets along existing right-of-way lines in some cases may have been based on the current SR-126 centerline and not the section line (See Sheet RD-1).

GENERAL NOTES:

- All dimensions are in metric units unless otherwise noted (1 foot = 0.3048m).

LEGEND:

- Section Corner Monument as noted
- Right-of-Way Monuments Set
- Right-of-Way Monuments Not Set
- Property Line
- Section Line
