HARRISVILLE HEIGHTS
 APPROX. 1000 WEST, HARRISVILLE RD
 HARRISVILLE CITY, UTAH
 SILVER MESA CONSTRUCTION
BOUNDARY & TOPOGRAPHIC SURVEY

Project name:
 file: f/11274/dwg
 project no.: L1274
 sheet:
1 of 1

The purpose of this survey is to re-establish the boundary of the above-described parcel of land prior to construction. The basis of bearing for this survey is South 84°08'10" East between the Northwest Corner and the North Quarter Corner of Section 6, Township 6 North, Range 1 West, Salt Lake Base & Meridian as shown hereon. Corners for this property were set with a 5/8" rebar, two feet in length and yellow plastic cap, or nail and washer, stamped "Ensign Eng & Land Surv.."

The Redford Estates Subdivision No. 2, as recorded with the office of the Weber County Recorder along with property descriptions and ownership maps on file at the office of the Weber County Recorder were used as reference for this survey along with a Survey of the "Kerry Housing Project" performed by the Corps of Engineers U.S. Army on March 6, 1952 and field notes taken by Fred Malen were also used as reference for this survey.

The utility information shown on this plot is based on above ground structures as observed by the surveyor in the field as well as information provided to the surveyor. No further investigations of existing utilities were performed for this survey, therefore the surveyor is not responsible for the representation or omission of such information on this plot. Contact Bluestakes if any digging, excavation or construction is intended.
