NARRATIVE
This survey and subdivision plat were requested by Herb Christian for the purpose of re-tracing the lot boundaries modifying the Non-Buildable area. Centerline Monuments were found at the center of Cul-de-sac on 2950 East Street and at a centerline P.L. along 2950 East Street at approximately 607.5 South. A line bearing S 40°11'13" E between these two monuments was used as the Basis of Bearings as depicted on this drawing. Property lines were established based on the original Eastwood Subdivision No. 10 (book 22 pages 74 & 75), and the Amended Plat of Lots 17-19 & 22-28 Eastwood Subdivision No. 10 (Book 23 page 49). A rebar with an aluminum cap stamped "P-S Assoc SLC UT" was found at the Rear corner to both Lots 17 and 19. A metal "T" post was found at the Northeast corner of Lot 37 and the Southeast corner of Lot 38. Both Tee Posts had a metal sign attached marking the original monuments. The location of the southeast corner of lot 38 was honored as the "T" post. Street right of way lines were established based on the original Eastwood Subdivision No. 10 (book 22 pages 74 & 75), and the Amended Plat of Lots 17-19 & 22-28 Eastwood Subdivision No. 10 (Book 23 page 49). Property Corners were monuments as depicted on this survey.

WEBER COUNTY ENGINEER
I hereby certify that the required public improvement standards and drawings for this subdivision conform with County standards and the amount of the financial guarantee is sufficient for the installation of these improvements.
